"THERE ARE NONE BETTER"

We take great pleasure in sending you this Special Wholesale Price List for Market Gardeners and Florists. You will find listed on the following pages very attractive low prices which we feel you are entitled to. We are confident that these prices will meet with your approval, and will have as great a response as last year, which was our most successful Market Gardener season.

THIS BOOK IS A READY REFERENCE PRICE LIST

not a catalog. For full description of the seeds, bulbs, and roots, see Maule's Seed Book for 1934, a copy of which has been sent you. If you have not received your copy, kindly advise us, and another copy will be mailed you free.

Plant Maule's Seeds for Success

Each lot of seed is thoroughly tested for active, abundant and vigorous life so that only the most virile product is shipped. The exacting nature of these tests has won the confidence of thousands and thousands of gardeners who not only buy Maule's Seeds year after year but gladly recommend them to their friends. Many new customers are added to our list each year through recommendations of those who know just how good Maule's Seeds really are because they have planted them.

Send in Your Order Early

We know our old Market Gardener and Florist customers will favor us with their orders again. We hope for a trial order, no matter how small or large, from every new reader of this Price List.
